1. About this guide

Digital & AI Support Technician Level 3 is one of QA's portfolio of digital-by-design (DxD) apprenticeships. To help prepare and support you on your digital learning journey, this guide outlines the different technologies used to deliver our apprenticeship, with guidance on what you need to do to ensure you can access them as and when you need to during your programme.

Please pass this document on to your IT department so they can ensure all the required websites are allow-listed and accessible from within your organisation, and all the technologies listed are available to you.

2. Technical requirements

- Internet connectivity
- Internet browser
- Webcam
- Enabled microphone (laptop/desktop)
- As part of your digital learning journey, our apprenticeships require you to connect with key contacts such as your Digital Learning Consultant (DLC) via web conferencing.

3. Key technologies & digital platforms

There are two types of link included below.

- a. Those marked [D] should work via any modern web browser.
- b. Those not marked [D] are used as integration links between platforms and will not work by clicking the link on its own.
- c. For those links marked [D]

Using a laptop/pc build provided by your organisation:

- a. Click on the link(s) marked [D], or copy and paste them into your web browser address bar.
- b. Can you successfully reach the intended page?
- c. If no, please raise this with your internal IT team.
- d. For those links not marked [D], or with additional information

Pass these links on to your internal IT team, who will be able to confirm whether or not they will function correctly.

NOTE: for any data location marked with an asterisk (*), data passed to these platforms is pseudonymised.
